Verdict

From step 5 of Chapter 10's BUILD STEP. Your readiness verdict reads "you're ready when...", not "you scored X, book it."

A raw count out of sixty does not convert to a scaled score.

You're ready when

- [ ] you cleared the mock comfortably (not barely)
- [ ] no single domain is a cluster of red
- [ ] you've turned your misses into your five

My verdict

You're ready when...
